LETTER RE PRIORITY CLAIM

Director  
U.S. Patent and Trademark Office  
Alexandria VA 22313-1450

Sir:

This will acknowledge receipt of an Updated Filing Receipt mailed March 17, 2004 in the above-referenced matter. We note with concern the notation under "Domestic Priority data as claimed by applicant" that the "Data provided by applicant is not consistent with PTO records".

I hereby certify that this correspondence is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the: Commissioner for Patents, U.S. Patent & Trademark Office, Alexandria VA 22313-1450.

Dated: May 20, 2004

A review of our records revealed that the original Declaration shows an incorrect priority document number, i.e., Provisional Patent Application No. 60/424,500, rather than the correct number, 60/424,050. Enclosed is a corrected Declaration to be substituted for the original.

Applicants wish to have the records corrected in this regard and a new Updated Filing Receipt issued showing the correct priority data.

Respectfully submitted,

Anatoly Frenkel
